

To whom it may concern:

Does your organization or community group have an event coming up? Are you looking for a way to get the word out? Well, we would love to help! Send us all the details, we'll set up a time to do an interview then put it together to run on our Community Updates, In Touch and Hometown Highlights segments on all three of our radio stations.

You can also continue to post your events on www.okotoksonline.com and www.highriveronline.com

Call Melanie Laine at 403-995-9611 or send her an e-mail at mlaine@goldenwestradio.com.

We look forward to hearing from you!
